

CELTRICS LLC

Celtrics LLC

Engineering • Design • Construction Management

Our Company

Founded in 2019, Celtrics LLC is a Mechanical, Electrical, and Plumbing (MEP) professional engineering, design, and project management firm that supports federal, state, and local government, private-for-profit and non-profit clients. As a customer-focused, quality-driven organization, Celtrics uses industry best practices for continuous improvement, process streamlining, and increased quality to exceed our customers’ operational goals and expectations. Past experience includes DoD customers and projects including mass notification, fire alarm, project management, and design of Air Force base infrastructure.
